Call for Abstracts & Registration of Interest

Closing date for the submission of abstracts 30 January 2006

## Invitation to attend

The International Global Navigation Satellite Systems (IGNSS) Society Inc. is pleased to announce the IGNSS 2006 symposium on GPS/GNSS which will be held from Monday 17 July to Friday 21 July 2006 at the Holiday Inn Surfers Paradise, Queensland, Australia.

The symposium will provide a forum for reporting and discussion on challenges and solutions, industry trends, emerging technology and the latest research in GPS/GNSS.

In addition to the keynote speakers, oral presentations and interactive poster sessions, workshops and a trade exhibition, the International Information Subcommittee of the US Civil GPS Service Interface Committee (CGSIC) will organise an informative session on Global Navigation Satellite System developments which will be held on Monday 17th July.

## The Venue

The Holiday Inn Surfers Paradise is perfectly located in the heart of Australia's most popular resort destination surrounded by restaurants, lively entertainment and shopping and is just 100 metres from magnificent Surfers Paradise beach. Holiday Inn Surfers Paradise is convenient to all Gold Coast attractions including numerous international golf courses, shopping malls and theme parks.

## Sponsorship

Many symposium sponsorship opportunities are available and can be viewed on the web page at [www.ignss.org](http://www.ignss.org) or contact the Society to receive a copy of the sponsorship prospectus. Sponsorship opportunities can be tailored to suit your requirements.

## Your Opportunities

- Discuss the current developments in navigation and location based services
- Learn about the latest products, services and applications on the market
- Interface with users, manufacturers and service providers
- Mix with professionals from varying backgrounds in a true cross-disciplinary event
- Be informed of the latest international research on navigation and location based services

## Pre Symposium Workshops

Keynote presenters from Overseas and Australia will give relevant workshops to interested participants on Tuesday 18 July 2006. Further information on the workshops will appear on the symposium website.

You are invited to submit an abstract, together with your relevant biographical details by 30 January 2006. You will be notified regarding the acceptance, or otherwise, of your abstract by 1 March 2006.

Abstracts are only accepted on the basis that presenters must register and pay the discounted early-bird member registration fee of \$695 for the symposium by 31 May 2006. Presenters who do not register and pay their registration fees by this date, will not be eligible to be included in the program.

All abstracts are to be submitted using the IGNSS online abstract submission system, by logging on to the IGNSS website at [www.ignss.org](http://www.ignss.org) and clicking on the "call for papers" navigation button, which also provides formatting and template information required.

The final date for submission for all abstracts is 30 January 2006.

## Refereed & Non-Refereed Papers

Presenters will be provided with the option of requesting their papers to be refereed and published.

Refereed papers will be reviewed before acceptance of contributions to the symposium in order to ensure the highest quality and to meet the requirements for the refereed publication standard. The proceedings will be published by Menay Pty Ltd, Australia, in CD format.
